In Spain the infant's face is swept with a pine tree bough to bring good luck.

Camphor Wash Balls.

The following is an excellent formula or camphor wash balls: White soap, one-half pound.

Spermaceti, one-half ounce Boiling water sufficient to cover the soap when shred up finely, and leave until dissolved. Then beat up, adding rather more than half an ounce of finely powdered camphor, make into round balls and dry in a dry, cool place for

some weeks. Tra with Lemon Surup.

A very good cool drink may be made with tea, lemon syrup and water. For the tea take one part each of Ool Young Hyson, Gunpowder, Imperial and Japan and two parts of English Breakfast. Unless a very large amount is equired the measurements made with a tablespoon. Take of this tea one teaspoon pour over it a cup of bailing water and let it stand in a hot place for three minutes. To make the lemon syrup botl a cup of sugar and a third of a cup of water together for five minutes, then, after the syrup has been taken from the fire, add a third of a cup of strained lemen juice, and it is ready for use. The punch is a mixture equal parts of tea, syrup and water. A unit rule is: One cup of tea, one cup of lemon syrup and one cup of water mixed and cooled in a refrigerator or in a pan of iced water. Perhaps it may braiding and edged with seal. The as well to use sugar, lemon juice, tea. sleeves are of plain cloth.
